Proceedings of the Madras Government, Public Works Department, 9th November 1872.

No. 148. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 18th October 1872, No. 157:—

LIEUTENANT Graham, Assistant Engineer of the first grade in South Arcot, was promoted in the *Gazette* of the 20th of August to the rank of Deputy Commissary. His Military pay is therefore Rupees 300, and his Civil salary as Assistant Engineer, first grade, Rupees 250, altogether Rupees 550. The Controller declines to pass more than Rupees 500, the maximum pay of an Assistant Engineer, first grade, without the special sanction of Government.

2. I request therefore that Government will be pleased to order the full amount of Civil and Military pay to be passed to Lieutenant Graham, as was done in the case of Captains and Deputy Commissaries H. Bailey and M. Howard, who held the appointments of Assistant Engineers, first grade.

No. 149. ORDER THEREON, 9th November 1872, No. 2,643.

ESTABLISHMENT, No. 5.

As the conditions under which the Departmental rank of Assistant Engineer was conferred on Warrant Officers of the Public Works Department holding Honorary Commissions are such as to preclude their entertaining prospects of promotion beyond the first grade of that rank, His Excellency the Governor in Council is pleased to relax in favour of Honorary Captain and Deputy Commissary J. Graham the standing order which precludes the Controller from passing to him a salary exceeding the maximum of Rupees 500 laid down as to be drawn in the Public Works Department for Assistant Engineers of the first grade.
