Proceedings of the Madras Government, Public Works Department
15th November 1872.

No. 251. Read the following Endorsement of the Acting Chief Engineer for Irrigation, dated 7th November 1872, No. 253 :—

From the Executive Engineer, Southern Range, Tinnevelly, to the Superintending Engineer, 8th Division, dated Palamcottah, 22nd October 1872, No. 576.

I HAVE the honour to report that, in accordance with your instructions, Mr. Norfor, Assistant Engineer, is engaged in taking sections of the Tambrapoorny river above the site of the proposed reservoir at Surumuthyencovil.

2. Mr. Norfor has engaged lascars whose pay will be charged to the sanction already given for this survey, (G. O., No. 1,618, dated 14th July 1872,) but I find that lascars cannot be obtained for work in this distant place at less than Rupees 8 per month.

3. It will also be necessary to cut jungle, etc., and to construct a raft for the purpose of taking cross sections of the river. I annex an estimate for these works, and request the favour of an early allotment of funds.

No. 3,548.

FORWARDED to the Chief Engineer for Irrigation for submission to Government for their favourable consideration and sanction.

One estimate of Rupees 140.

2. A sum of Rupees 140 has been allotted to the Southern Range, Tinnevelly, from the current year's grant under "Minor New Works Agricultural" on emergency in anticipation of sanction of the estimate, and the undersigned trusts that this course will meet with the approval of Government.

MADURA, 2*nd November* 1872. (Signed) R. A. ROBERTS, Lieut.-Colonel, R.E., *Superintending Engineer, 8th Division.*

RECOMMENDED for sanction from the Minor New Works grant for the Tinnevelly District.
