Proceedings of the Madras Government, Public Works Department, 16th November 1872.

No. 258. Read the following endorsement of the Controller of Public Works Accounts, dated Fort St. George, 16th October 1872, No. 96 :—

From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, through the Controller of Public Works Accounts, dated Bellary, 14th October 1872, No. 1,607.

I HAVE the honour to forward, for the disposal of Government, the enclosed medical certificate,* recommending Mr. R. H. Hayes, Supervisor of the second grade, for twelve months' leave.

* Dated Madras, 8th October 1872.

2. Mr. Hayes obtained three months' privilege leave (*vide Fort St. George Gazette*, dated 6th August 1872, page 1,331,) from 11th July 1872, and has not returned to duty; it will therefore be necessary to commute this leave to "sick leave" and grant furlough for the whole period of fifteen months.

3. I may add that Mr. Hayes stands appointed to the sub-divisional charge of the Madanapully Range, Cuddapah District, but as he will in all probability not join, and the range is very badly off for subordinates, I trust that the services of an efficient Supervisor may be made available in his place at an early date.

MR. R. H. Hayes, Supervisor of the second grade, is eligible under the rules to the leave now applied for on his behalf.
