Proceedings of the Madras Government, Public Works Department, 20th November 1872.

No. 313. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 1st November 1872, No. 173 :—

I HAVE the honour to bring to your notice that the Office Establishment of the Executive Engineer at Bangalore has, for some years past, been found inadequate. The scale of establishment considered necessary was forwarded by me to the Public Works Commissioners in 1869, and if that is not sanctioned on the reorganization of the department, I beg to recommend that at least another Draftsman be added. There is always a great deal of work in that office in preparing plans for new works and repairs, and it is probable that the Executive Engineer will soon be called on for detailed plans of a new Arsenal.

No. 314. ORDER THEREON, 20th November 1872, No. 2,725.

ESTABLISHMENT, No. 19.

ADVANTAGE will be taken in carrying out the details of the reorganization of the Public Works Department on 1st December next, to provide an extra Draftsman and Estimator for the Bangalore Range, on Rupees 40 per mensem, in the following manner.

2. The severance of the Presidency charge from that of Chingleput District admits of a saving of Rupees 146 on the establishment of the latter district by its reduction from the 1st to the 3rd class. Of this amount, Rupees 80 being allotted to provide a Head Clerk for the Presidency and Rupees 25 for an Assistant Accountant or Writer, Rupees 40 remain available for Bangalore, leaving a net saving of 1 Rupee.
