Proceedings of the Madras Government, Public Works Department, 20th November 1872.

No. 318. Read the following Endorsement of the Officiating Superintending Engineer, 2nd Division, dated Bezwada, 5th November 1872, No. 123:—

From the Controller of Public Works Accounts, to the Assistant Inspector-General of Police, dated Fort St. George, 28th October 1872, No. 855.

In returning the enclosures of your letter No. 3,687, dated 24th October 1872, I have the honour to observe that, as the increased grant for the Police Station-houses in Nellore was sanctioned by Government out of a surplus grant made by the same authority for the huts at Gudur, and as funds to the credit of the Public Works Drawing Account must have been placed by the Accountant-General, by means of the monthly application for credits by the Superintending Engineer, on the sanction contained in G. O., No. 1,654, dated 9th July 1872, it is not necessary to move the Accountant-General to place the sum of Rupees 700 to the credit of the Public Works Department.

2. It was irregular on the part of the Superintendent of Police to have forwarded Rupees 700 from his cash chest to the Superintending Engineer of the 2nd Division to meet the increased cost of the Station-house, on account of which, as stated above, there was a Government grant which must have been placed to the credit of the Public Works Department Drawing Account.

3. As to the sum tendered by the Superintendent of Police from his cash chest, I have to inform you that, if this was obtained from funds supplied or advanced by the Public Works Range Officer on account of certain works proposed to be executed by the Superintendent of Police, and was afterwards found not to be required for that purpose, it should have been paid into the Treasury, and exhibited as such in the Monthly Abstract of Receipts and Disbursements submitted to this office, accompanied by the Treasury Officer's Receipt. This course should now be followed, if it has not yet been done.

Submitted for the orders of Government, with reference to this office No. 118, dated 30th ultimo.

Sir,

In returning the enclosures of your letter No. 3687, dated 24th October 1872, I have the honor to observe that as the increased grant for the Police Station Houses in Nellore was sanctioned by Government out of a surplus grant made by the same authority for the huts at Gudur, and as funds to the credit of the Public Works Drawing Account must have been placed by the Accountant General, by means of the monthly application for credits by the Superintending Engineer, on the sanction contained in G O No. 1654, dated 9th July 1872, it is not necessary to move the Accountant General to place the sum of Rs. 700 to the credit of the Public Works Department

2 It was irregular on the part of the Superintendent of Police to have forwarded

Re 700 from his Cash Chest to the Superintending Engineer of the 2d Division to meet the increased Cost of the Station Houses, on account of which, as stated above, there was a Government grant which must have been placed to the credit of the Public Works Department Drawing Account.

3 As to the sum tendered by the Superintendent of Police from his Cash Chest, I have to inform you that, if this was obtained from funds supplied or advanced by the Public Works Range Officer on account of certain works proposed to be executed by the Superintendent of Police, and was afterwards found not to be required for that purpose, it should have been paid into the Treasury, and exhibited as such in the monthly Abstract of the Receipts and Disbursements submitted to this Office, accompanied by the Treasury Officers' Receipts.
