PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 34.

SIR,—I am directed herewith to forward a copy of the Proceedings of Government under date the 16th October 1872, No. 2,438, sanctioning an appropriation of Rupees 547-8-0 from the grant for Agricultural Repairs for the construction of ferry boats to be used in crossing certain irrigation channels in the Godavery District.

2. Seeing that the ferries in question do not come within the scope of Act I. of 1870, and cannot therefore be provided for from the Canal and Ferry Funds of the district, His Excellency the Governor in Council sanctioned a grant from Imperial Funds, against which the charge should under the circumstances apparently be made; but doubts having been suggested with reference to paragraphs 51 and 52 of Section I., Chapter XVI. of the Government of India Code, as to the power of this Government to make the appropriation, I am to submit the question for the decision of the Right Honourable the Governor-General in Council.

I have the honour to be,
Sir,
Your most obedient servant,

Major, R.E.,
Acting Joint Secretary to Government.
