No. 360. Read the following Endorsement of the Revenue Department, dated 28th October 1872 :—

Proceedings of the Board of Revenue, dated 25th October 1872, Miscellaneous No. 7,164.

From the Acting Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 8th October 1872, No. 316.

With reference to Government Order of the 15th July 1868, No. 2,252, communicated with Board's Miscellaneous Proceedings of the 20th July 1868, No. 5,289, I have the honour to report that of the sum of Rupees 17,256-14-7 referred to therein, Rupees 9,019-9-7 are now actually required for compensation due to the Inamdars, etc., for their lands taken up for Irrigation works, as the remainder is partly the amount over-allotted and partly that due to the holders of religious inams, for which an equivalent in land only can be given under Board's Standing Circular 17 of 1866.

2. It is very desirable that no further delay should be allowed to take place in paying the compensation to the Inamdars, but no provision was made in the Budgets of the current year. From the Proceedings of Government of the 9th April 1872, No. 935, and 8th June 1872, No. 1,429, I observe that they have at their disposal a reserve of Rupees 23,096. I therefore request that the Board of Revenue will apply to Government to place a sum of Rupees 9,019-9-7 at my disposal at an early date, so as to enable me to disburse the amount before the close of the current official year.
