Proceedings of the Madras Government, Public Works Department, 25th November 1872.

No. 409. Read the following Endorsement of the Marine Department :—

From the Master Attendant, Administrative Department, Madras, to the Officiating Chief Secretary to Government, Marine Department, dated Madras, 7th November 1872, No. 6,284.

I HAVE the honour to return herewith the Proceedings of Government, Public Works Department, numbered 2,399, and bearing date 12th October last, and in compliance with the endorsement thereon in the Marine Department dated 31st idem, to report that there are no savings in the Marine Budget from which the sum of Rupees 2,500 required for the repairs of two steam dredges at Cocanada can be appropriated.

2. The charge is one pertaining to the Public Works Department, and on reference to the Public Works Port Fund Budget, I find that a sum of 15,000 Rupees has been allotted to the port of Cocanada for improving the south groyne and dredging the bar of the river. No portion of this sum had been expended up to the end of June last, and it is very probable that the Public Works Department will be able to set aside the cost of the repairs to the dredges from the allotment above mentioned.

TRANSFERRED to the Department Public Works.

(Signed) W. HUDLESTON,
Officiating Chief Secretary.

No. 410. ORDER THEREON, 25th November 1872, No. 2,769.

ACCOUNT, No. 40.

THE sum of Rupees 2,500 sanctioned in G. O. of 12th October 1872, No. 2,399, for the repair of two steam dredges at Cocanada will be provided by transfer from the unexpended balance of the sum of Rupees 5,000 transferred from Item No. 97 of the Provincial Budget to the Madras Pier works; the correct amount of which the Master Attendant is requested to report.
