Proceedings of the Madras Government, Public Works Department, 27th November 1872.

No. 437. Read the following letter from the Superintending Engineer, 5th Division, to the Acting Joint-Secretary to Government, Public Works Department, dated Cuddalore, 14th November 1872, No. 183:—

In reply to your memorandum No. 212 of the 8th instant, I have the honour to inform you that reminders have been sent to the Range Officers of the Salem and Tripatore Ranges.

No. 438. Order thereon, 27th November 1872, No. 2,783.

IRRIGATION, No. 30.

So far back as in February 1872, the Superintending Engineers of certain divisions were called upon to depute competent officers to examine all tanks in which breaches might affect the Railway within the limits of their divisions.

2. The Government are disappointed to find that no steps have as yet been taken for giving effect to these instructions in the 5th Division. The Superintending Engineers of the 3rd and 4th Divisions have not as yet submitted any report on the subject. The special attention of the District Engineers of Salem, North Arcot, Bellary, and Cuddapah will now be called to those instructions, and His Excellency in Council will expect to receive an early report from those Officers on the subject.
