Proceedings of the Madras Government, Public Works Department, 27th November 1872.

No. 439. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Cuddalore, 16th November 1872, No. 185:—

With reference to G. O., No. 2,528, of the 5th October 1871, I have the honour to state that the Collector of Salem has more than once brought to notice the necessity for the execution of the alterations and additions therein sanctioned to the Taluq Cutcherry at Salem. I request, therefore, that the Government will be pleased to sanction a transfer of Rupees 865 (the amount of the estimate) to this work from the sum of Rupees 5,830 allotted in the current year's Provincial Budget for improving the Tahsildar's Cutcherry, and constructing a Subsidiary Jail, with out-houses, at Villapuram in South Arcot.

2. It is not expected that the current year's allotment for the Villapuram Cutcherry and Subsidiary Jail will be fully spent, the site selected for the latter being private property, and there being some delay in acquiring the same.

No. 440. Order thereon, 27th November 1872, No. 2,784.

ACCOUNT, No. 41.

The transfer of funds proposed in this letter is sanctioned; but the Range Officer will be warned that he is expected to utilize to the utmost the balance of the funds placed at his disposal for the Villapuram Taluq Cutcherry, and explanation will be called for in the Revenue Department as to the cause of delay in acquiring the site for that building, against which it is observed that nearly Rupees 1,400 are debited as having been spent up to 1869-70.
