Proceedings of the Madras Government, Public Works Department, 27th November 1872.

No. 448. Read the following letter from the Superintending Engineer, Public Works Department, Hyderabad, to the Secretary to Government, Public Works Department, Madras, dated Bolarum, 4th November 1872, No. 2,632-E.G. :—

I HAVE the honour to request the favour of being furnished with particulars of the dismissal from the Madras Public Works Department of Overseer Corporal Charles Briant.

This Overseer was employed as Cantonment Overseer in Cannanore and was dismissed on the 14th May 1869.

2. Corporal Briant bears a good character in his Regiment, and has been employed for some time as a temporary Overseer under the orders of the Executive Engineer, Secunderabad. The Executive Engineer reports him to be a steady, hard-working man and well up to his work, and I shall be glad if you will inform me whether the Madras Government would offer any objection to his re-employment in the department in this Province.

SIR,—With reference to your letter of the 4th instant, No. 2,632-E.G., I have the honour to forward herewith the printed papers marginally noted connected with Corporal Briant's dismissal, and to state that, under the circumstances therein noted, the Government of Madras cannot recommend the re-employment of Corporal Briant on the permanent establishment of the Public Works Department.

2. He appears to have had a long and fair trial in the department already, under experienced officers who took an interest in him; to have done well for some time; but to have finally fallen off, and either through carelessness, or connivance at fraud, caused a considerable loss to this Government in connection with works at Cannanore.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Government.
