Proceedings of the Madras Government, Public Works Deparment, 28th November 1872.

Read the following letters:—

No. 461. From the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 4th November 1872, No. 3,574.

I HAVE the honour to forward, in original, a letter from Gunner Sears, dated 31st October 1872, asking to be reinstated in his office of Taluq Overseer.

1 Letter.
1 Bill.

2. As it is possible that Gunner Sears may work better in a more temperate climate, and as the Government have been at a considerable expense in educating him, I would respectfully venture to suggest, under the circumstances represented by Gunner Sears, that his case may receive favourable consideration.

3. The Gunner's services were replaced at the disposal of the Military Department in G. O., No. 2,352, dated 8th October 1872.

4. I take this opportunity to state that a sum of Rupees 33-10-0 has been advanced to Gunner Sears as specified below, namely,—

	RS.	A.	P.
Transit hire from Palamcottah to Madura	13	10	0
Do. do. from Madura to Trichinopoly	10	0	0
Road expenses from Palamcottah to Trichinopoly	10	0	0
Total...	33	10	0

I therefore request that the Government will be pleased to authorize the Controller to pass the amount of the enclosed bill of Rupees 33-10-0 from savings in the current year's Budget under "Establishment."

No. 461A. From the same Officer, dated Madura, 8th November 1872, No. 3,707.

IN continuation of my letter No. 3,574, dated the 4th instant, I have the honour to report that Overseer Gunner Sears was relieved of his charge of the Ambasamoodrum Taluq, Tinnevelly District, on the 25th ultimo.

No. 462. ORDER THEREON, 28th November 1872, No. 2,798.

ESTABLISHMENT, No. 34.

THE services of Gunner Sears as an Overseer in the Public Works Department having been dispensed with by the Superintending Engineer of the 8th Division on the grounds of his "taking no interest in his work, and having no desire to make himself useful as a public servant," His Excellency the Governor in Council is not prepared to recommend him for re-employment to any other Superintending Engineer.

2. He will not object to the re-entertainment of Gunner Sears by Lieutenant-Colonel Roberts or any other officer whom he may be able to interest in the case, provided that he rejoins a taluq charge without further expense to Government.

Proceedings of the Madras Government, Public Works Department,
28th November 1872.

The very unusual charge made for his free conveyance back to Trichinopoly cannot be passed as requested; it should be recovered from the amount of pay drawn for him as Overseer up to 25th October.
