Proceedings of the Madras Government, Public Works Department, 28th November 1872.

No. 463. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Irrigation,) to the Joint, Secretary to the Government of Madras, Public Works Department-Irrigation Branch, dated Simla, 19th October 1872, No. 922-I.:—

ORDER No. 1,747, entry 353, Proceedings of the Government of Madras in the Public Works Department, Irrigation Branch, for July last, sanctions an estimate, amounting to Rupees 1,000, for the repair of the Jupad bungalow, Madras Irrigation Company's works, as a charge against Capital. I am to inquire the reasons for this outlay being debited to Capital instead of to Revenue, against which it is a more legitimate charge.

2. Referring to Order No. 1,766, entry 392, I am to request that when the returns from Irrigation which have been called for for all districts for 1871-72 have been obtained and completed, copies may be submitted to the Government of India for information.

No. 464. ORDER THEREON, 28th November 1872, No. 2,799.

IRRIGATION, No. 31.

IT is observed that the proposed bungalow is included in the list of buildings the retention of which was authorized in the Proceedings of the 25th August 1871, No. 2,185, and estimates for the thorough repair of which, to suit them for permanent occupation, are required by those orders. The grounds upon which the repair or restoration of these buildings is admitted as a charge against Capital are given in the Acting Chief Engineer's endorsement printed with G. O., No. 526, dated 26th February 1872, and a copy of these Proceedings will now be forwarded for the information of the Government of India.

2. The returns required in paragraph 2 of the above letter will be submitted in due course.

SIR,—I am directed to acknowledge the receipt of your letter No. 922-I, dated 19th October 1872, and, in reply, I am to forward a copy of the Proceedings of the 26th February 1872, No. 526, which will explain the reasons which have guided the Madras Government in admitting, as a charge against Capital, the cost of the repair of the bungalow at Jupad and of other buildings of the Madras Irrigation and Canal Company required for permanent occupation. It will be observed that Capital is only called upon to bear the charge of placing the buildings in a fit state for future use, after which the cost of maintenance will be met by Revenue.

2. The returns called for in paragraph 2 of your letter will, I am to add, be submitted as soon as possible after their receipt in the Government Office.

I have the honour to be,
