5. The sums allowed for Military and Civil Works include the proportionate share of Establishment and Tools and Plant for these two heads of service, but it is not intended thereby that any change should be made in the preparation of the Budget-Estimates in which the provision for Establishment and Tools and Plant should be made as usual under distinct heads, the sum required for the purpose being taken out of the total herein allowed, and the balance being appropriated for the construction of works and execution of repairs.

6. Separate orders have been issued to the several Governments and Administrations concerned regarding the amount allowed for Military and Civil Works. The annexed schedule is an abstract of the sums passed under the latter head, and the Budget-Estimate should be prepared according to the instructions issued to each Government and Administration.

7. The distribution of the grant for Agricultural works has been made in separate orders. The accompanying Schedule B contains an abstract of the total sum allowed under this head, including the total grant assigned for expenditure on Public Works during 1873-74 in each Government and Administration.

8. The grants herein assigned include probable payments in England on account of stores for the Public Works and Irrigation Departments, and the Budget-Estimates should, therefore, be prepared accordingly.

9. In the preparation of the estimate of Public Works revenue, the receipts to be credited to Provincial funds, according to orders that have been issued, should be shown distinct from the receipts to be credited to Imperial funds. The like course should be followed in the preparation of the Regular Estimate of Public Works revenue for 1872-73.

Governments of Madras, Bombay, Bengal, North-Western Provinces, and the Punjab; Chief Commissioners, Central Provinces, British Burmah, and Oudh; Resident, Hyderabad; Governor-General's Agents, Rajpootana and Central India; Chief Commissioner, Coorg, and Superintendent, Port Blair.

ORDER.—Ordered that this Resolution be communicated to the Governments and Administrations noted in the margin, and to the Inspector-General of Military Works, for information and guidance.

Ordered further that a copy be forwarded to the Financial Department for information.

Secretary to the Government of India.
