With reference to Minute No. 2 of the Meeting* which was held at Raichore on the 23rd of February last, I have the honour to report, for the information of Government, that the Agent of the Great Indian Peninsula Company has elected to take over the officers' bungalow which was erected by this Company at the Raichore Station, and the Great Indian Peninsula Company has now been placed formally in possession of the building for which they are to pay this Company the sum of Rupees 10,182-0-7, the actual cost price as provided for in the Minutes.

* *Vide* G. O., No. 1,440, of the 11th June 1872.

2. As mentioned in paragraph 5 of your report to the Government dated 3rd September 1872, No. 463, we are proceeding with the erection of the new staff bungalow at Raichore for the use of the officers of the Madras Railway Company, and the question now arises how the expenditure on account of the latter shall be dealt with.

3. I have the honour to suggest what appears to me the most convenient course, namely, that you should authorize me to incur in this respect an expenditure not exceeding Rupees 10,978, the amount of the original estimate, and that the sum of Rupees 10,182-0-7 mentioned above shall, when received from the Great Indian Peninsula Company, be paid in to the credit of Government on Capital Account.

4. If you concur in this proposal, I shall be obliged by your communicating to me the necessary authority at your early convenience.

Submitted to Government.
