MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 184, 185, 2905, Press / Mis.

Dated 9-12- 1872.

Not to be folded or roughly handled

No. 184. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 20th November 1872, No. 2,996:—

With reference to your memorandum forwarding the scale of establishment proposed to be adopted from the 1st December next in this district, I have the honour to request I may be allowed to make the following changes:—

Draftsman and Estimator	Rs. 60
Accountant...	,, 60
2 Writers (35 and 30)	,, 65
2 Copyists (25 and 20)	,, 45

there will be no increase of cost, at the same time a better rate of salary will be secured for men who have the heaviest work in the office to perform.

2. It would much facilitate the working of the office if another Accountant on Rupees 40 a month could be allowed us, for in the event of a man becoming sick or going away on leave there is no one acquainted with this branch to act for him, and with so many works in progress under all heads of expenditure as we have in this district, I am afraid this part of the office duties is not sufficiently provided for.

No. 185. Order thereon 9th December 1872, No. 2,905.

ESTABLISHMENT, No. 10.

The Government are not prepared at present to alter the Godavery District Establishment. The second Draftsman and Estimator if not required as such may be utilized as an Assistant to the Accountant.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Godavery.
,, Controller of Public Works Accounts.
