Dated	10-12-	1872

Not to be folded or roughly handled

No. 213. Read the following letter from Assistant Surgeon E. NICHOLSON, to the Chief Engineer and Secretary to Government, Public Works Department, dated Madras, 18th November 1872, No. 1:—

I HAVE the honour to submit to you the following estimate of my remuneration and expenses whilst on special duty experimenting on hydraulic limes.

2. During my employment as Analyst of Potable Waters (which ceased on the 14th November) I received a deputation allowance of Rupees 5 per diem, laboratory rent and other expenses being charged in a monthly contingent bill.

3. Whilst on the present duty (from 15th November) I would suggest remuneration at the same rate, Rupees 150 per mensem; the other charges being different; from the nature of the work I estimate them as follows:—

Laboratory charges.

Office-rent and conveyance,	Rupees	50	per mensem (fixed).
Office Establishment,	,,	30	,, ,,
Chemicals and Apparatus,	,,	50	,, ,,
Contingencies,	,,	20	,, ,,
		150	

The last two items would vary, but the total annual amount would not exceed the above rate.

4. I propose to draw spirit of wine (for burning) from the Medical Stores. Estimated quantity, 30 gallons per annum.

5. Also to draw from the Medical Stores any articles belonging to the spare sets of water analysis apparatus lying there.

No. 214. ORDER THEREON, 10th December 1872, No. 2,921.

CIVIL WORKS, No. 9.

HIS Excellency the Governor in Council sanctions the disbursement of an allowance of Rupees 150 per mensem to Assistant Surgeon Nicholson during his employment on the duty of experimenting on hydraulic limes. A further sum of Rupees 150 per mensem is also sanctioned to meet the other charges indicated by Dr. Nicholson in paragraph 3. The expenditure will be met from savings under the head of "Establishments," and the necessary provision for these experiments will be made in the Budget-Estimate for establishments for 1873-74.
