Proceedings of the Madras Government, Public Works Department, 10th December 1872.

No. 215. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 16th November 1872, No. 3,623 :—

Referring to G. O., No. 221, of 14th November 1872, I have the honour to point out that the actual allotments for the current year in Chingleput considerably exceed those of any of the districts which are graded as second class.

2. Large expenditure is made on Agricultural Repairs and on buildings in three Military Cantonments, for which, in my humble opinion, better allowance should be made in Chingleput.

3. I can speak from experience of Chingleput as compared with Nellore and Tinnevelly, and have no hesitation in saying that the former will furnish more labour to the District Engineer's Office than either of the others.

No. 216. Order thereon, 10th December 1872, No. 2,922.

ESTABLISHMENT, No. 15.

The Government are not prepared at present to increase the establishment allowed for the Chingleput District Engineer's Office.

To,

Colonel G. W. Walker R. E.
Secretary to Government P. W. Dept.

Sir,

Referring to G. O. No. 221 of 14th November 1872 I have the honor to point out that the actual allotments for the current year in Chingleput considerably exceed those of many of the districts which are graded as 2nd Class.

2 Large expenditure is made on agricultural improvements and on buildings in Military Cantonments for which in my humble opinion better allowance should be made in Chingleput.

3 I can speak from experience of Chingleput as compared with Nellore and Tinnevelly and have no hesitation in saying that the former will furnish more labor to the District Engineer's Office than either of the others.

I have the honor to be
