Proceedings of the Madras Government, Public Works Department,
13th December 1872.

No. 273. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 26th November 1872, No. 207 :—

UNDER G. O. No. 1,908 of 12th August 1872, sanctioning the amalgamation of the Coondapoor Range with the Mangalore Range, the Head Accountant of the former range, Mr. M. C. Fernandez, would have had to be thrown out of employment; but to avoid his being deprived of a situation, and as the reorganization of the department was pending, as a temporary measure, I appointed him to act as Draftsman of the Poottoor Range on Rupees 40 from 1st September last, as this was the only appointment then vacant and which could have been offered to him; the Controller of Public Works Accounts, however states, *vide* list of disallowances herewith sent, that as Mr. Fernandez does not possess the required certificate, he is unable, without the special sanction of Government, to pass to Mr. Fernandez beyond one month, more than Rupees 19-8-0 of the salary of the post to which he has been temporarily appointed; I have, therefore, the honour to request that Government will be pleased to authorize the Controller to pass Mr. Fernandez full pay for October and November without the production of the certificate called for.

2. I note for your information that, from 1st December next, Mr. Fernandez has been appointed Head Accountant of the Mangalore Range.
