No. 279. Read the following letter from the Officiating Superintending, Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 18th November 1872, No. 132:—

ADVERTING to G. O. No. 2,372 of 9th ultimo, I have the honour to inform you that I did not, in submitting the Divisional Budget for 1873-74, apply for funds for the works referred to in paragraph 3 of the Revenue Board's Proceedings,* embodied in the G. O. under notice, as the buildings alluded to have not yet been sanctioned, and I was under the impression that G. O., No. 3,721, dated 22nd November 1869, prohibited my entering works in the Budget that had not been formally sanctioned by Government.

* No. 1,611, dated 17th August 1872.

2. As the Budget for this division was despatched on the 24th September last, I have requested the Collector of Nellore to be good enough to address Government direct regarding the buildings he wishes to be commenced during the official year 1873-74, and to favour me with a list of them to enable me to have the necessary estimates framed without further delay.

3. In 1868 the buildings under consideration were ordered* to be commenced in anticipation of sanction, but subsequently all operations were suspended in consequence of financial difficulties. The estimates have for some time been under active preparation and will be submitted shortly.
