Proceedings of the Madras Government, Public Works Department,
14th December 1872.

No. 285. Read the following telegram from Captain VIBART, R.E., Bangalore, to Colonel WALKER, R.E., Madras, dated 6th December 1872.

No. Ten thousand of allotment might be transferred.

No. 286. ORDER THEREON, 14th December 1872, No. 2,959.

ACCOUNT, No. 23.

His Excellency the Governor in Council is much concerned to find that a reference to the District Engineer, Bangalore, made with a view to ascertain to what extent he could avail himself of additional funds for Military works in progress offered by the Government of India, has elicited the fact that not only can no more money be spent on the Ulsoor Water Works, but that he desired to surrender Rupees 10,000 out of the current year's allotment of Rupees 50,000.

2. Before consenting to any such transfer being made, His Excellency in Council desires to be furnished by the District Engineer, Bangalore, with a report detailing the causes which have led to such inaction as has resulted in the outlay on this important work of only Rupees 872 in the first six months of the current year, and now causes apprehension of short expenditure, in the twelve month, to the extent of Rupees 10,000. In supplying which he will also state why the probability of such short outlay has not been earlier foreseen and reported with a view to the sum in question being effectually utilized elsewhere.
