Proceedings of the Madras Government, Public Works Department,
18th December 1872.

No. 363. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Cokracolum, 30th November 1872, No. 3,988:—

As there is no Record-keeper sanctioned for the District Engineer's Establishment, and as the services of one is absolutely necessary for the separation of the records belonging to the Tinnevelly District, I have the honour to request that the Government will be pleased to sanction the employment of a Record-keeper for a period of three months on a salary of Rupees 30 per mensem.

2. I have also the honour to request that the Manager of my office may be allowed to remain at the Office for the period of one month to superintend the assorting and despatch of the current Tinnevelly records. At the end of that period the Record-keeper will be engaged in sorting out the old records. In anticipation of the sanction of Government, and considering the urgency of the case, I have directed Mr. Shutie and the present Acting Record-keeper of my office to carry on the abovementioned functions.

No. 364. ORDER THEREON, 18th December 1872, No. 3,000.

ESTABLISHMENT, No. 29.

THE District Engineer of Madura has acted unadvisedly in taking upon himself to carry out the arrangements mentioned in the last paragraph of his letter.

2. The records of different districts must have been kept distinct from one another in any well ordered Superintending Engineer's Office; there has been ample warning given of the change proposed; and no exceptional circumstances seem to render an addition to the establishment of the Madura District necessary.

3. The Inspecting Engineers will, to oblige Lieutenant-Colonel Roberts, arrange to dispense with the services of one of their Managers till after the Christmas holidays, at the end of which Mr. Shutie's place will be filled up if he has not joined. But the retention of an extra Record-keeper cannot be permitted. Whatever additional assistance is required to separate the records of the Tinnevelly District from those of Madura must be obtained by indent on the Tinnevelly Range Establishments.
