MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 370, 371, 372, 373, 3004 Press / Mis.

Dated 18-12-1872.

Not to be folded or roughly handled

Read the following letters:—

No. 370. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 25th September 1872, No. 2,319.

ADVERTING to paragraph 3 of G. O., No. 1,937, dated 14th August 1872, I have the honour to forward herewith a revised plan and estimate, amounting to Rupees 3,940, for constructing wards for infectious diseases in the Native Infantry Hospital now under construction at Vizagapatam, and to request you will be good enough to lay the same before Government for approval and sanction.

1 Plan.
1 Estimate.

No. 371. From the same Officer, dated Dowlaishweram, 17th October 1872, No. 2,555.

WITH reference to your memorandum No. 138, dated 8th instant, I have the honour to forward herewith the original plan of infectious wards of the Native Infantry Hospital under construction at Vizagapatam received from the Executive Engineer, and to save delay, a copy of the original plan prepared in this Office, the latter having been sent to Major Beatty.

1 Original Plan of Executive Engineer's Infectious Wards.
1 Copy of the original design by the Superintending Engineer for the Infectious Wards.

No. 372. From the same Officer, dated Dowlaishweram, 11th November 1872, No. 2,881.

WITH reference to your memorandum of the 31st ultimo, No. 201, I have the honour to observe that, by a clerical error, Rupees 1,400 was shown in paragraph 5 of my letter, No. 1,444, of the 18th July, to be the difference of cost between Major Beatty's design and mine; it should have been Rupees 2,400.

2. Major Beatty's original estimate was for Rupees 4,500; the design now submitted is to cost Rupees 3,940, omitting the rear verandah but adding for bath-rooms, etc.

3. This office copies show clearly that this was an error made by the copyist or the draughtsman in filling up the figures in the rough draft of my report, which had to be sent to the office to be prepared, as my inspection duties are so heavy I am unable to take a large office out with me.

No. 373. ORDER THEREON, 18th December 1872, No. 3,004.

MILITARY WORKS, No. 10.

ON re-consideration His Excellency the Governor in Council is of opinion that it would be inexpedient to build the infectious disease wards attached to the Native Infantry Hospital at Vizagapatam of

Proceedings of the Madras Government, Public Works Department,
18th December 1872.

masonry, hutting infectious patients being more in accordance with sanitary requirements. The plan and estimate of Rupees 3,940 submitted with letter No. 2,319, dated 25th September 1872, will therefore be returned to the District Engineer, who will estimate for hut wards as provided for in the standard plan.

Sir,

I have the honor to forward for the information of Government a Plan of the Native Infantry Hospital under construction at Vizagapatam and a copy of the original Plan prepared in this Office the latter having been sent to Major Bradley on 18th ultimo.

2. Major Bradley's original Estimate was for Rupees 4,500, which during the progress of the work has been increased to Rupees 3940 by the addition of a Verandah all round.

3. This Office regrets the delay that has occurred in the submission of these Plans and Estimate, but they were not received from Major Bradley until the 28th ultimo.
