Proceedings of the Madras Government, Public Works Department, 9th January 1872.

No. 97. Read the following Endorsement of the Controller of Public Works Accounts, dated Fort St. George, 5th December 1871, No. 2,261 :—

From the Superintending Engineer, 4th Division, to the Controller of Public Works Accounts, dated Madras, 2nd December 1871, No. 3,597.

In forwarding the enclosed bill from the Overseer in charge of the Vellore Central Jail Works for Rupees 54 on account of charges incurred by him in travelling to Madras and back to Vellore, I have the honour to request that you will be good enough to have the same passed for payment if you can do so under the rules in force.

2. If however you are of opinion that the charge cannot be debited to "Travelling Allowances," I shall be glad to obtain the special sanction of Government for paying it out of the estimate for the Jail.

3. The Overseer came down to Madras under my special orders, in order to assist the Estimate Department of my Office in checking the supplemental estimate and comparative statement of the Vellore Jail. These documents are too elaborate, and several items required explanation which could more easily have been got from the Overseer in person than by getting the Range Officer to write on the subject, a process which would have entailed much correspondence and delay.

1 letter No. 3,597, dated 2nd December 1871, with a bill.

Submitted for the orders of Government.

2. As the temporary Superintendent referred to is not borne on either the permanent or temporary establishment of the Vellore Range, the travelling allowance, etc., claimed on his behalf cannot, under the rules, be debited to the Budget allotment for Establishments.

3. The pay of the temporary Superintendent being debited to *Works*, the charge, if sanctioned, will have to be met from the grant for the Vellore Central Jail.

4. It is necessary, however, to state that the rate of 1½ Annas on account of the journeys by rail from Vellore to Madras and back is that prescribed for *Talook Overseers*, and that if the temporary Superintendent had belonged to that class of subordinates, he would, in lieu of the cart hire now claimed, have been entitled to 2 Annas a mile for the portion of the journey made by road. No batta, such as that entered as the third item in the bill, is allowed to Overseers, but when at the Presidency they are granted single or double horse allowance, as the case may be, provided the required certificate is furnished.

5. Persons on the permanent establishment not belonging to the Executive branch are allowed when travelling, or away from head-quarters, 30 per cent. of their salaries, except when ordered to travel by rail, in which case they are entitled to double the 2nd class or 3rd class fare, according as their salaries are above or below Rupees 50 per mensem.

Controller of Public Works Accounts.

No. 92 — ORDER THEREON, 9th January 1872, No. 50.

ESTABLISHMENT, No. 14.

THE case submitted in the papers above recorded is altogether exceptional. Under the rules no travelling allowance is ordinarily granted to temporary subordinates, but looking to the expenses which must have been actually incurred by the temporary Superintendent referred to in connection with his visit to Madras, and his stay there, under the orders of the Superintending Engineer, the Government direct that Narrainsawmy Naidoo's case shall be dealt with on this occasion as if he was a permanent office servant and his claims to batta and travelling expenses be regulated accordingly, the charge being debited to the Vellore Central Jail Works.
