Proceedings of the Madras Government, Public Works Department, 9th January 1872.

No. 101. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 14th December 1871, No. 2,553-R. :—

I AM directed to acknowledge receipt of your letter, No. 3,007, dated 28th November last, submitting for sanction a plan and an estimate, amounting to Rupees 13,498, for alterations and additions to the Bellary Station of the Madras Railway.

2. Bellary Station has now been open for some time; engines can pass to and from the engine-shed without accident, and the traffic is small. As regards the signals and sidings, I am directed to suggest that the former should be removed and the latter should be eased at the cost of Revenue, if a change is absolutely necessary.

3. The erection of a wooden fence on each side of the station approach road being declared necessary, its cost, Rupees 2,873, is sanctioned chargeable to Capital.

Rupees two thousand eight hundred and seventy-three only.

4. This sanction has been registered as No. 36-M. R. of 1871-72, and the plan and estimate received with your letter under reply are herewith returned.
