Proceedings of the Madras Government, Public Works Department, 10th January 1872.

No. 115. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Sooliah, 26th December 1871, No. 210:—

WITH reference to G. O., No. 3,151, dated 14th December 1871, I have the honour to report that I have already reported that it is not desirable to close the breach of the Nellunboor tank, and that in its present condition it is of less danger to the Railway embankment than if repaired. I have, however, directed the Range Officer forthwith to take the necessary steps for diverting the old supply channel, so as to discharge through the bridges constructed in the Railway embankment for the former overflow from the calingulahs.

2. The further information now called for in the G. O. under reply will be communicated as early as possible.

No. 116. ORDER THEREON, 10th January 1872, No. 58.

IRRIGATION, No. 3. ORDERED to be recorded.

(True Extract.)

Sir,

With reference to G.O. No. 3151, dated 14th December 1871, I have the honor to report that I have already reported that it is not desirable to close the Breach of the Nellumboor Tank, and that in its present condition it is of less danger to the Railway Embankment than if repaired. I have however directed the Range Officer forthwith to take the necessary steps for diverting the old supply Channel so as to discharge through the Bridges constructed in the Railway Embankment for the former overflow from the Talingulahi.

2. The further information now called for in the G.O. under reply will be communicated as early as possible.

I have
