GROUNDS OF PROPOSITION.

Item 1.—Owing to the unsafe condition of the laboratory of the Magazine of the Fort of Bangalore it is considered necessary to vacate the building without delay and provide laboratory accommodation elsewhere at a cost of Rupees 2,200, which the Government have transferred from the unspent balance of the grant for the Ulsoor water works.

Item 2.—As it is undesirable that the stable at the Remount Depot at Oosoor, upon which Rupees 18,786 have been spent, should be left in their present incomplete state, the Government have availed themselves of the opportunity of a balance being available from the allotment for the Ulsoor water project to sanction, in anticipation of the approval of the Government of India, a grant of Rupees 2,000 for continuing the work during the current official year, and will endeavour to provide the sum required to finish the buildings from the Reserve of the ensuing year.

Item 3 is the balance of the estimate for re-roofing the Post Office at Nursipatam in the Vizagapatam District, for which a transfer of Rupees 244 was approved by the Government of India in docket No. 58 A.B., dated 16th February 1872.
