5th March 1872.*

No. 93. Read the following endorsement of the Deputy Secretary to the Government of India, dated 16th February 1872, No. 58-A. B. :—

*
GROUNDS OF PROPOSITION.

Item 1.—This sum is required to admit of traverses being put up between the buildings at the Gun Powder Factory in order to protect each separate building as much as possible in case of an explosion. The work was considered of so much urgency that it was ordered to be proceeded with in anticipation of sanction to a transfer of funds.

2. The Post Office at Nursipatam in the Vizagapatam District is reported to require re-roofing, and the proposal against Item 2 is to admit of the work being proceeded with, no other funds being available.

3. In reference to Items 3 and 4 attention is invited to paragraphs 8 and 9 of the orders of Government on the Regular Estimate of the Public Works Department for the current official year, which were forwarded to the Government of India under cover of docket No. 85, dated 12th January 1872. In addition to the transfer of Rupees 11,660 to "Repairs Agricultural" therein made, it has been found necessary further to augment the grant by a transfer of Rupees 5,004 from "Minor Works" to admit of emergent repairs, rendered necessary by recent floods, being put in hand.
