To

The Secretary to the Government

Public Works Departt. (Railway)

Fort William, 8th December 1871.

Sir,

I am directed to acknowledge the receipt of your letter No. 2661, dated the 20th October 1871, and in reply to communicate the sanction of the Government of India to the plans and estimates aggregating Rs. 5,19,232 therewith submitted, for the construction of a bridge of forty six 64 feet openings with wrought iron girders across the Cheyaur river on the North West line of the Madras railway, to replace the structure which was partially destroyed by the floods of October 1870.-

2. The question of the incidence of

the cost of the repair and reconstruction of the Cheyaur bridge, having been referred by the Agent to his Directors may remain an open question for the present, but, till it is determined, all Indian expenditure should be met from the Revenue balances, and not by a reappropriation from a Capital grant.—

3. This sanction has been entered in the Register of this Office as No 35 M.R. of 1871/72. The estimates and plans are returned.—

I have the honor to be,
Sir,
Your most Obd.t Servt.
