*Proceedings of the Madras Government, Public Works Department,
11th January 1872.*

No. 143. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 3rd January 1872, No. 1,845:—

REFERRING to the Notification published on page No. 1,934 of the *Fort St. George Gazette*, dated 19th December 1871, transferring Assistant Engineer Mr. F. Brickwell from the Cuddapah to the Ganjam District, I have the honour to inform that as yet Mr. Brickwell has not submitted the plans, etc., for the Cundakoor project; and I request that he may be allowed to stop in order to complete the same, or else be directed to take them with him to Ganjam so as to finish them there.

2. The out-door work of the project has been altogether completed by Mr. Brickwell, who has been the only officer employed on the investigation of the project; I therefore beg to represent that a person new to the said work would find a little difficulty to prepare the requisite papers.

3. I request to be furnished with an early reply to this.

No. 144. ORDER THEREON, 11th January 1872, No. 73.

ESTABLISHMENT, No. 19.

Mr. Brickwell had acted on the order in the *Gazette* and repaired to the Presidency en route to Ganjam. The duty on which he has been ordered there is too emergent to admit of his departure being delayed, and is not of a nature to admit of his giving any of his attention to the completion of the special project, but immediately the present emergency has passed he will be required to complete the report and plans for which purpose the papers can be forwarded to him wherever he may be stationed hereafter.
