*Proceedings of the Madras Government, Public Works Department,
11th January 1872.*

No. 144. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 18th December 1871, No. 2,591-R:—

I AM directed to acknowledge the receipt of your letter, No. 2,971, of the 24th November 1871, submitting the Review of the Revenue Account of the Great Southern of India Railway for the half-year ending 31st December 1870.

2. The average mileage of single and double journey third-class travellers seems to have been incorrectly worked out. The figures should apparently be 31·7 and 42·9, instead of 95 and 129.

3. The train mileage run for the Traffic Department should have been the train mileage used for the purposes of calculation in Tables E. and F., Maintenance and Locomotive Expenses.

4. It is presumed that future Reviews will follow the modifications of form prescribed in Public Works Department No. 1,875 R., dated 29th September 1871.
