*Proceedings of the Madras Government, Public Works Department,
11th January 1872.*

No. 146. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 20th December 1871, No. 2,610-R:—

I am directed to acknowledge the receipt of your letter, No. 2,758, dated the 31st October last, submitting the Revenue Account of the Carnatic Railway for the half-year ending 30th June 1871.

2. In the 5th paragraph of his letter, No. 187, of 15th September 1871, the Agent ascribes the improvement that took place in the passenger traffic to a reduction in the fares and to increased facilities in through booking in connection with the Madras Railway. The only decrease of fare since the first half of 1870 that can be traced is a reduction from 24 to 12 pies per mile for first-class passengers, which resulted in an increased receipt of Rupees 206. I am accordingly desired to inquire to what reduction of fares Mr. Fisher alludes, and what facilities are afforded to the public for through booking with the Madras Railway as regards both goods and passengers.

3. In conclusion I am to request that the forms promulgated with Public Works Department Resolution No. 227 A—R., of 21st March 1871, may be strictly adhered to in future.
