*Proceedings of the Madras Government, Public Works Department,  
20th March 1872.*

No. 468. Read the following letter from the Officiating Director General of Telegraphs in India, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 2nd March 1872, No. 2,997:—

The Superintendent, Bangalore Division, of Telegraphs has submitted to me copy of your Order, No. 2,697, of the 24th October last, respecting the Kurnool Telegraph Office building, and has also forwarded a plan of the so-called "Commisariat godown" at Kurnool, which it is proposed to transfer to this department. This building, I regret to say, appears to me entirely unsuited to our requirements, and I beg the favour of your assistance towards obtaining quarters which will provide accommodation for the residence of the Telegraph Master in charge and a Signaller, in addition to signal-room, receiving-room, battery-room and store godown.

2. The orders of the Government of India in respect of non-remunerative offices are so stringent that, unless I can without much further delay obtain suitable rent free quarters, I must report the case for its orders, as you will observe from the correspondence on which your order is based that the local Civil authorities, while deprecating the removal of the office and acknowledging its value, decline to render any assistance towards its maintenance or accommodation.

TELEGRAPH, No. 3.
