Sir,

I have the honor to inform you that Mr. J. Sheddick, Assistant Engineer in Charge, Mysore and Bangalore, has applied for Privilege leave for one month on half pay. He states that he had not enjoyed the privilege leave during the 50 years he has been in the Department. If Mr. Sheddick is applied for the privilege leave, will you kindly direct that the privilege leave be granted to him for one month on half pay. He is the only one of the staff who has not been granted the privilege leave.

The undersigned has the honor to state in reply to the Chief Engineer's Memorandum No. 273 of the 18th Instant, that the G. O. therein mentioned was not overlooked. But as the G. O. expressed an opinion only that Lieutenant Hudlock should take his furlough from the 1st April 1874 and as that Officer was actually performing his duties as a Range Officer on the 15th of that month (and probably is still) the usual remark was made on his application for leave, namely that (as an Officer on the Effective Establishment) he was eligible to the leave applied for.

2. Privilege leave can only be granted on the understanding that there will
