No. 641. Read the following letter from the Officer in charge of 4th Division, to the Secretary to Government, Public Works Department, dated, Madras, 23rd March 1872, No. 5,141:—

In Government Order, No. 1,574, dated 13th June 1871, two estimates, amounting in the aggregate to Rupees 1,600, for works as per margin were sanctioned, but in consideration of the small amount of the reserve under the head "Military" then at the disposal of Government, authority was given for the immediate execution of the second work only, that having been considered the most urgent of the two, and the first work was ordered to be deferred.

	Rs.
1. Laying a bed, etc., for a new boiler in the store-shed of the Government Bakery...	800
2. Raising the existing boiler in the Government Bakery	800
Total...	1,600

2. Colonel Wilkieson, R. E., on personal inspection considered that the first named work was emergent, and accordingly ordered it to be proceeded with in lieu of the second work. I trust the proceeding will be approved of by Government.

Laying a bed, etc., for a new boiler in the store-shed of the Government Bakery, Rupees 800.

3. I further beg that out of the grant of Rupees 800, sanctioned for the second work, Rupees 740 may be transferred to the first work, as the amount only will be expended in the year 1871-72, and the remaining Rupees 60 to other works requiring funds.

No. 642. ORDER THEREON, 30th March 1872, No. 872B.
