*Proceedings of the Madras Government, Public Works Department,
3rd April 1872.*

No. 17. Read the following endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 14th March 1872, No. 127 :—

From the Agent and Manager of the Carnatic Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 12th March 1872, No. 369.

I HAVE the honour to solicit the approval of Government to a general reduction in the rates for merchandize traffic on this Railway, to take effect from the 1st proximo.

Hitherto the rates have been :—

Special Class	...	...	...	...	12 Pies per ton per mile.
First „	...	...	...	...	16 „ per „ per „
Second „	...	...	...	...	20 „ per „ per „
Third „	...	...	...	...	24 „ per „ per „
Fourth „	...	...	...	...	36 „ per „ per „
Fifth „	...	...	...	...	48 „ per „ per „

And I now propose to adopt the following which are the same as those which obtain on the Madras Railway, namely :—

Grain and Firewood	...	...	...	...	10 Pies per ton per mile.
First Class	...	...	...	...	12 „ per „ per „
Second „	...	...	...	...	14 „ per „ per „
Third „	...	...	...	...	18 „ per „ per „
Fourth „	...	...	...	...	24 „ per „ per „
Fifth „	...	...	...	...	36 „ per „ per „

No less charge than 8 Annas to be made for any consignment or for 1 maund if the class rate exceeds 8 Annas.

2. I do not propose that these rates which are intended to be charged locally should prejudice the special rates recently arranged, such as the grain and salt rates between Madras and Conjeveram.

SUBMITTED for the approval of Government.
