MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No.	886	Press
		Mis.
24-25		
Dated	4 4	1872.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
4th April 1872.*

No. 24. Read the following endorsement of the Officer in charge of the 4th Division, dated Madras, 23rd March 1872, No. 5,136:—

From the Assistant Engineer, Poloor Range, to the Superintending Engineer, 4th Division, dated Arni, 20th March 1872, No. 663.

I HAVE the honour to request your permission to continue the improvements to the Poloor supply channel in the next official year.

2. The allotment given for this year, namely, Rupees 5,650, will be worked out, but the state of the work is such that it cannot be discontinued without entailing very great loss to Government.

3. The head sluice is completed and a portion of the foundation of dam built, and if the work is now stopped the water will overflow it before it has had time to settle, and must be bailed out at some cost before the work is commenced again.

4. The freshes usually come down the Cheyaur river at the end of May or early in June, so that if the work is stopped for any time it must be postponed for a year.

5. The amount required to complete the work is Rupees 6,000.

SUBMITTED to Government in original, with a recommendation that the work of the improvements to the Poloor supply channel, amounting to Rupees 11,650, sanctioned in G. O., No. 405, dated 10th February 1872, may be permitted to be continued during the next official year under the circumstances stated in Mr. Bevan's letter, and that a sum of Rupees 6,000 may be allotted from the Reserve of 1872-73 under the head "Agricultural," to allow of the completion of the work.

2. There is no provision in the Imperial Budget of 1872-73.

(Signed) J. N. HUNTER, Captain, R.E.,

In charge Suptg. Engineer's Office, 4th Division.

No. 25. ORDER THEREON, 4th April 1872, No. 886.

IRRIGATION, No. 4.

THE Superintending Engineer is authorized to continue operations on the Poloor supply channel during 1872-73.

The work should be included in the statement of demands from the Agricultural Reserve, and the necessary provision of funds will be made in due course.

(True Extract.)

Colonel, R.E.,

Secretary to Government.

To the Superintending Engineer, 4th Division.

" Acting Chief Engineer for Irrigation.

" Controller of Public Works Accounts.

Exd. S. T. Augustin.

Aruee 20th March 1842
