*Proceedings of the Madras Government, Public Works Department,
4th April 1872.*

Read the following papers:—

No. 26. From the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Kokracolum, 29th February 1872, No. 4,629.

ADVERTING to my letter No. 2,359, dated 28th September 1871, reporting the result of the investigation into the case of Taluq Overseer Chockalingum Pillay recently in charge of the late No. 3 Range, Tinnevely, I have the honour to request that you will be so good as to obtain the sanction of Government for utilizing the sum of Rupees 265 recovered from the said individual towards repairing the seven Police Station-houses, as suggested by me in paragraph 12 of the above report.

REFERRED to the Controller of Public Works Accounts for report as to whether the proposed appropriation of the sum of Rupees 265, recovered from Overseer Chockalingum Pillay, is opposed to any rule of the Account Department.

FORT ST. GEORGE, (Signed) J. CARPENDALE, Colonel, R. E.,
12th March 1872. *Secretary to Government.*

No. 27. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 14th March 1872, No. 3,067.

IN returning the accompanying letter,* referred to this office for report under docket dated 12th March 1872, I have the honour to observe that the recovery of Rupees 265 from Overseer Chockalingum Pillay, whether viewed absolutely as such or as a fine, should be credited to "Provincial Service receipts" in the accounts of the range and paid into the Treasury. An estimate should then be prepared for the completion of the work in question, and the expenditure on it met from the general funds placed at the Range Officer's disposal. The above is the course indicated by the rules of the department for the disposal of extra receipts of the nature referred to.

2. The recovery of Rupees 265 was however brought in the accounts of the Northern Range of the Tinnevely District for the month of October last, as a credit to the head Deposits; and if Government should be disposed to treat the present case as exceptional, the amount may be appropriated in the manner proposed by the Superintending Engineer, the expenditure being debited to Deposits.

No. 28. ORDER THEREON, 4th April 1872, No. 887.

ACCOUNT, No. 4.

UNDER the circumstances of the case, the Government sanction the sum of Rupees 265 being utilized in the manner proposed by the Superintending Engineer of the 8th Division, the expenditure being accounted for as suggested by the Controller in the 2nd paragraph of his letter.
