*Proceedings of the Madras Government, Public Works Department,
5th April 1872.*

No. 59. Read the following Proceedings of the Madras Government in the Ecclesiastical Department, dated 26th March 1872, No. 44 :—

Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort St. George, dated 23rd January 1872, No. 52.

I HAVE the honour to forward a letter from the Rev. W. T. Sathianadhan, Missionary and Minister of the Church
G. O., 31st August 1871, No. 143. Mission Chapel at Chintadrepettah, for

which the Government lately sanctioned a new bell from the stores of the Public Works Department in exchange for the old one, which was cracked and useless.

2. The Government will learn with regret that the new bell has turned out to be as useless as the old one. Having examined it, and heard it rung, I am able to confirm the report of the Missionary that it is cracked, and altogether of inferior workmanship. I trust, therefore, that His Excellency the Governor in Council will excuse me for bringing this complaint to his notice, and that he will be pleased to order the supply of another larger and better bell for the convenience and comfort of the congregation which the Government desired to promote.

THE Government direct that the bell referred to be returned to the Public Works Workshops, with a view to another bell, if available, being supplied.

2. Inquiry will be made in the Public Works Department as to the cause of the bell being cracked so shortly after its issue from the Workshops.
