*Proceedings of the Madras Government, Public Works Department,
6th April 1872.*

No. 79. Read the following Proceedings of the Board of Revenue, dated 26th March 1872, No. 497 :—

Read the following letter from the Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated Kudlighi, 26th February 1872, No. 48.

WITH reference to paragraph 5 of the Order of Government, Public Works Department, No. 2,769, dated 2nd November 1871, communicated to me by the Board in their Proceedings, No. 4,833, dated 23rd November 1871, I have the honour to state that the villagers of Peddapully decline to admit their liability for the outlay incurred by the Public Works Department for the repair of the channel at that village in consequence of their having contributed their share in the shape of labour in clearing the bushes, etc., about the banks of the channel.

2. The delay in the submission of this report arose from a mistake which occurred in the office of the Head Assistant Collector.

SUBMITTED for the information of Government, with reference to Government Order, dated 2nd November 1871, No. 2,769, Public Works Department.

2. The villagers of Peddapully are said to owe Rupees 26-12-11 for work executed under the head "Village Labour." They refuse to pay the amount on the ground that they contributed their share of the total expenditure in the shape of labour. The Collector does not state whether the excuse is, in his opinion, justified, but unless the repairs were executed under Act I. of 1858 the Board know of no law under which the villagers can be forced to pay.
