*Proceedings of the Madras Government, Public Works Department,
10th April 1872.*

No. 145. Read the following endorsement of the Controller of Public Works Accounts, dated Fort St. George, 25th March 1872, No. 3,148:—

From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 19th March 1872, No. 271.

I HAVE the honour to request the sanction of Government to write off to "Profit and Loss" from the accounts of the Calicut Range officer Rupees 504-7-0, under the following circumstances:—

Amount expended in the purchase of certain laterite stones prior to the receipt of G. O., No. 3,466, of 28th October 1869, ordering the substitution of brick-in-chunam for laterite-in-chunam.	RS.	A.	P.

Total ...	504	7	0

SUBMITTED for the sanction of Government.

2. The entire sum of Rupees 504-7-0 stands debited in the accounts of the

"Constructing Nellumboor and Cherupoyah bridges."—Estimate 71,000, sanctioned in G. O., No. 3,466, dated 28th October 1869.

Calicut Range to the work as per margin, and from a report submitted to me by the Executive Engineer in charge it appears that there is now no alterna-

tive but to adopt the course recommended by the Superintending Engineer. The transaction to which the larger of the items in question appertains refers to the year 1869, and it is a matter for regret that the subject of their adjustment was not taken up soon after the issue of the G. O. quoted by the Superintending Engineer, or, at all events, at a much earlier date than 1872.
