I AM directed to intimate that the Governor-General in Council has been pleased to approve of a suggestion by His Excellency the Commander-in-Chief, that Executive Commissioned Officers of the Ordnance and Commissariat Departments shall in future be authorized to grant, without the intervention of the Quartermaster General's Department, railway warrants to their subordinates when the latter are required to proceed departmentally on duty, and to request that the Railway Companies may be instructed to accept such warrants.

2. I am to add that no change is made in the class of persons to whom, or the conditions of duty under which, such warrants can be granted; nor will the existing form of warrant be altered by these orders, the sole change being the transfer of the power of signing such warrants from the Quartermaster General's Department to the officers indicated above.
