*Proceedings of the Madras Government, Public Works Department,
17th January 1872.*

No. 294. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Bismillasaibpett, Sidhout Talook, Cuddapah, 16th December 1871, No. 1,805 :—

I HAVE the honour to inform, with reference to G. O., No. 3,095, of 7th December 1871, that the transfer of Rupees 700 to "Repairs, Civil Buildings," Kurnool District, therein proposed, is from the allotment for improvements to the Bellary Jail, which is reduced from Rupees 25,000 to Rupees 19,220, *vide* G. O., No. 3,083, of 6th December 1871.

2. Of the 400 Rupees, the current year's Provincial grant for "Minor New Works, Civil Buildings," in the Bellary District, there is an unappropriated balance of only Rupees 240, and this sum will probably be required in the Bellary District to meet estimates for Minor Improvements; I therefore do not propose the transfer and appropriation of this amount towards the estimate for repairing the Kurnool Range Office.

3. Early orders are solicited.

No. 295. ORDER THEREON, 17th January 1872, No. 149.

ACCOUNT, No. 30. —

THE transfer of funds proposed in paragraph 1 is sanctioned.

2. The Superintending Engineer has not yet reported what additional amount can be surrendered from the grant for improvements to the Bellary Jail.
