*Proceedings of the Madras Government, Public Works Department,
17th January 1872.*

No. 298. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 18th December 1871, No. 2,929:—

I HAVE the honour to forward, for the most favourable consideration of Government, copy of a letter from the Executive Engineer in charge of No. 1 or Eastern and Central Delta Range, and a petition in original from Serjeant Gorman, a Talook Overseer in that range, praying that the balance, namely,

Rupees 100, of the advance* received
by him from Government to pay the

legal expenses connected with his late trial at the High Court of Madras may be remitted.

2. I quite agree with Captain Mead in considering the case of Serjeant Gorman a very hard one, and, under the circumstances stated in the petition, I beg to recommend that the balance due by Serjeant Gorman be written off to "profit and loss," and he be thus relieved of this debt which was not incurred by any act of his own, the High Court having fully and honourably acquitted him of all charges preferred against him.

Sir,

I have the honor to forward an original petition from Sergeant Gorman to Colonel Carpenter Secretary to Government requesting that the balance due (Rs 100) from the advance of Rs 300 given to Mr Gorman by Government may be remitted -

2
Mr Gorman's case is a very hard one, and I cannot but think that if represented to Government his petition may be granted, I can only add that Mr Larmine under whose orders he has acted for 12 months gives him a high character both as regards conduct and manner of executing work placed under his charge.

I have the honor &c &c

The Humble Petitioner.

George Thomas, Esq.

St. Paul, Minn.

Humbly and Most Respectfully,

Sheweth -

1 - That your humble petitioner, received
 an advance, of \$1000.00, from the Government (200)
 from the Government, in November 1870, in order, to
 enable him, to pay the legal expenses,
 attendant on his late trial.

2 - Your humble petitioner, is on that
 occasion, led to believe, that, the Government
 consider the locality, of the trial, as being
 in the place.

3 - Although your humble petitioner has now paid, since
 he received the advance, above referred to,
 the only consideration, your humble petitioner
 has received, is an appointment, to a new
 division charge, where his expenses, are
 greatly in excess, of those incurred from his
 former charge, while his pay, and allowances,
 remain the same, with the exception, that his
 claims for mileage have been disallowed.

2 I quite agree with Captain Mead in considering the case of Serjeant Gorman a very hard one, and under the circumstances stated in the Petition, I beg to recommend, that the balance due by Serjeant Gorman, be written off to "Profit and Loss," and he be thus relieved of this debt, which was not incurred by any act of

Rp 300

Since the arrival of your humble petitioner and his family, in this District (Madras), either your petitioner, or some member of his family, have been continuously sick, this circumstance being an expense additional.

The total loss incurred, by your humble petitioner, in consequence of his misfortune - was upwards of eight hundred Rupees (Rs 800) a portion of which, is still owing, said, by monthly instalment, to be so far as the amount of instalment, some months, that scarcely sufficient was left for the common necessities of life.

Your humble petitioner, now, most respectfully begs, that, you will give his petition some consideration. He has worked long and hard, and has tried to do his best, in the workshop, in which he was treated.

He now, most respectfully & humbly desires, that, the balance of the advance, shown retained to, this firm, by him to Government, vizt Rs 100, be written off to him, to pay other debts, which are pressing heavily on him.

And, your humble petitioner
Wishes to pay back all
