*Proceedings of the Madras Government, Public Works Department,
18th January 1872:*

No. 305. Read the following Endorsement of the Military Department, dated Fort St. George, 16th December 1871 :—

From the Adjutant General, to the Secretary to Government, Public Works Department, (through the Secretary to Government, Military Department,) dated Fort St. George, 13th December 1871, No. 1,916.

WITH reference to your memorandum of the 28th ultimo, No. 196, I have the honour, by order of the Commander-in-Chief, to state as follows for the information of Government in the Public Works Department.

2. On the 25th April 1871, the Officer Commanding Sappers and Miners was informed, *vide* copy of memorandum enclosed, that Lieutenant Dorward's services were placed at the disposal of Government on the 18th idem for employment in the Department Public Works.

3. On the 7th October 1871, the Officer Commanding the above corps reported that Lieutenant Dorward had applied to join his appointment in the Department Public Works, but that he, the Officer Commanding Sappers and Miners, had received no intimation of the same, and requested orders on the subject.

4. In reply he was referred to the memorandum of 25th April and the *Fort St. George Gazette* of 22nd August 1871, page 1,336, posting Lieutenant Dorward to the Godavery District as an Assistant Engineer.

5. As the *Fort St. George Gazette* is not supplied by Government to corps, Lieutenant-Colonel Prendergast's explanation for not having taken cognizance of Lieutenant Dorward's appointment to the Department Public Works, as soon as it appeared in the Gazette, is contained in his letter of the 9th instant, No. 1,058, herewith forwarded.

6. The memorandum No. 915, dated 20th October 1871, from Assistant Adjutant General referred to in the above communication is, it is presumed, from the Assistant Adjutant General at Bangalore, as it does not appear to be from this department.

7. A copy of this Office memorandum, No. 2,299, 15th June 1871, quoted in the last paragraph of the above letter, is enclosed. The General Orders referred to in that memorandum are the General Orders of Government and the Commander-in-Chief, and not the *Fort St. George Gazette*, the conditions under which it can be obtained being distinctly stated in that memorandum.

8. Under the above circumstances, the Commander-in-Chief would recommend the *Fort St. George Gazette* being supplied gratis to the Officer Commanding Sappers and Miners.

TRANSFERRED, with No. 5,159, to the Public Works Department.

Officiating Secretary to Government.
