*Proceedings of the Madras Government, Public Works Department,
18th January 1872.*

No. 319. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 18th December 1871, No. 3,856:—

MESSRS. SHAW and Tasker, Solicitors of the Madras Bar, have addressed me on behalf of one Caroovumbaukum Shunmoogum Moodelly, the Receiver appointed by the High Court of Madras of the Estate of Collah Venketasawmy Chetty, an infant, who is the owner of the village of Yanathoor in Conjeeveram Talook, Chingleput District; and to request that a competent officer may be deputed to inspect and to report on the condition of the tank in the above village, as its bund was reported to be in a dangerous state and likely to cause considerable damage.

2. Mr. Ottmann, the Sub-Engineer in charge No. 3 Range, was accordingly deputed for the purpose, and his report on the condition of the tank has been duly communicated to the Solicitors. Mr. Ottmann, however, claims remuneration for the professional service rendered by him, and I think he is entitled to it, as the work inspected is one purely of private interests.

3. I beg, therefore, to request that permission may be granted to Mr. Ottmann to make a bill on the Solicitors for the services rendered.

No. 320. ORDER THEREON, 18th January 1872, No. 162.

ESTABLISHMENT, No. 31.

THE Superintending Engineer of the 4th Division will ascertain from the Solicitors, and report with reference to paragraphs 7 and 8 of the orders of the Government of India recorded in G. O., No. 2,678, dated 21st August 1868, what fee they propose to pay Mr. Ottmann. This seems a preferable course to the preparation of a bill.
