*Proceedings of the Madras Government, Public Works Department,
18th January 1872.*

No. 323. Read the following letter from the Superintending Engineer, 3rd Division, to the Chief Engineer for Irrigation, dated Bellary, 14th November 1871, No. 1,547 :—

WITH reference to G. O. No. 2,240, dated 2nd September last, I have the honour to inform that so soon as Mr. Assistant Engineer Norfor takes charge of the Kurnool Range the services of Mr. Supervisor Hayes will be available for employment on the investigation of Kalavatala and Talarycheruvoo Dyalla Tank Projects.

2. I shall, therefore, not require the services of the Surveyor sanctioned for the above projects, as it seems now to me to be advisable to allow Mr. Dunn, the Surveyor employed on the Dhone Project, (*vide* G. O. No. 434, dated 11th February 1871,) to prepare all the fair copies of the surveys, plans, etc., under the Kurnool Range Officer, as Mr. Dunn will be in possession of all the details necessary for the above purpose and for drawing up the report, etc.

3. In my letter dated 23rd ultimo, No. 1,365, I requested you to obtain the sanction of Government for continuing the employment of the Dhone Project temporary establishment for two more months. I trust this sanction may be obtained as soon as possible, or the Controller of Public Works Accounts will decline to pass the bills for salary, etc.

4. I have written to Mr. Norfor to give precise information as to the time the further employment of the Surveyor will be necessary to complete the whole of the work connected with the Dhone Project.

No. 324. ORDER THEREON, 18th January 1872, No. 164.

IRRIGATION, No. 25.

THE Superintending Engineer states that the services of the Surveyor, whose entertainment was sanctioned in G. O. No. 2,240 of 2nd September 1871, are not required, as Mr. Supervisor Hayes' services will shortly be available for the investigation of the Kalavatala and the Talarycheruvoo Dyalla Tank Projects. The cost of the temporary establishment sanctioned in the above order will thus be reduced to Rupees 240.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Superintending Engineer, 3rd Division.
,, Controller of Public Works Accounts.
,, Chief Engineer for Irrigation.

osures.

Sir,

With reference to G. O. No. 2240 of 2nd September last, I have the honor to inform that, so soon as Mr. Asst. Engineer Norfor takes charge of the Purnool Range the services of Mr. Supervisor Hayes will be available for employment on the investigation of Chala-
vatata & Talary Chinnu Dyalla Tank projects.

2. I shall, therefore, not require the services of the Surveyor sanctioned for the above projects as it seems now to me to be advisable to allow Mr. Dunn, the Surveyor employed on the Dhume Project (vide G. O. No. 434 of 11th February 1871), to prepare all the fair copies of the Surveys, Plans &c. under the Purnool Range Office, as Mr. Dunn will be in possession

f

of all the details necessary for the above purpose and
for drawing up the Report &c.

3. In my letter dated 23^d Ultimo, No 1365, I re-
quested you to obtain the sanction of Government
for continuing the employment of the Dhane pro-
ject temporary Establishment for two more months;
I trust this sanction may be obtained as soon as
possible, or the Controller of C. M. Accounts will
decline to pass the bills for Salary &c.

4. I have written to Mr. Norfor to give precise
information as to the time the further employ-
ment of the Surveyor will be necessary to complete
the whole of the work connected with the Dhane
Project.

I have &c
