Proceedings of the Madras Government, Public Works Department,
22nd January 1872.

No. 374. Read the following letter from the Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 15th January 1872, No. 20 :—

With reference to G. O., No. 32, dated the 8th instant, I have the honour to report that sixty of the locomotive engines on the Madras Railway are fitted each with one injector and one feed pump.

2. Five spare injectors have been received from England, two of which have been fitted to the stationary engine boilers, and two more are being fitted to engines Nos. 1 and 2 which have just been supplied with new boilers and fire boxes. There is, therefore, only one injector at present in stock as spare which the Locomotive Superintendent says it would not be prudent to part with.

No. 375. Order thereon, 22nd January 1872, No. 191.

RAILWAY, No. 56.

Ordered that this letter be forwarded to the Government of India, with reference to their letter dated 22nd December 1871, No. 2,634 R.

Consulting Engr. Office
y Department

No. 20

From

Captain C. J. Pruett R.E.
Deputy Consulting Engr.
for Railways

To Colonel J. Carpendale R.E.
Secretary to Government
Public Works Department
Fort Saint George

Sir,

With reference to G.O. No. 32, dated the 8th instant, I have the honour to report that 60 of the Locomotive Engines on the Madras Railway are fitted each with one injector and one feed pump. Nine spare injectors 2. have been received from England two of which have been fitted to the stationery engine boilers and two more are being fitted to Engines Nos 1 and 2 which have just been

supplied with new boilers and
fire boxes. There is therefore only
one injector at present in stock as
spare which the Locomotive Superintendent
says it would not be prudent to
part with.

I have the honour to be,
Sir,
Your most obedient Servant
