*Proceedings of the Madras Government, Public Works Department,
22nd January 1872.*

No. 377. - Read the following letter from the Acting Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Salem, 21st December 1871, No. 207 :—

I HAVE the honour to submit, for the sanction of Government, a revised estimate, amounting to Rupees 490, for rebuilding part of the compound wall of the Roman Catholic European Military Burial Ground at Old Town, Cuddalore.

1 Estimate, Rupees 490.

2. An estimate of Rupees 210 was sanctioned in G. O. No. 653 of the 6th March 1871, but the work was not carried out owing to the late period at which sanction was accorded; the compound wall has sustained great damages during the recent bad weather, and a revised estimate is accordingly necessary.

3. I request therefore that Government will be pleased to sanction a transfer of Rupees 490 from the grant of Rupees 2,850 under "Repairs, Military," in the Salem District to South Arcot, in order that the work may be completed by the end of March next.
