*Proceedings of the Madras Government, Public Works Department,
22nd January 1872.*

No. 381. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 21st December 1871, No. 3,673 :—

I HAVE the honour to report that in passing the pay bill of Overseer Gunner Murray for the month of November 1871, the Controller of Public Works Accounts has made a deduction of Rupees 15 from the pay of the Overseer as first instalment towards repayment of the advance of Rupees 60 made to him in G. O. of the 15th September 1871, No. 2,346.

2. As I am of opinion that so large a deduction of Rupees 15 per month from the Overseer's pay will necessarily put him to much inconvenience, I request that you will be so good as to obtain the early orders of Government authorizing the Controller to recover the above advance of Rupees 60 by six monthly instalments of 10 Rupees each.

No. 382.

ORDER THEREON, 22nd January 1872, No. 195.

ESTABLISHMENT, No. 36.

THE deduction that was made from Overseer Murray's salary is usual, and as he will still draw a little more

than a civilian in the same grade, the Government do not consider it expedient to make any exception in his case.
